Welcome!

- Conference is being live-streamed and will be recorded.
- We plan to put all talks on-line; please remove any proprietary information before you give them to me.
- Please give me electronic source, and PDF copy (for ease of editing talk recording)

Welcome!

- Abstracts will be indexed on Astronomy Abstract Service (ADS).
- Please make sure we have:
 - Full name and affiliation of all authors
 - Full title
 - Updated text, if you like
- Please email to Kristine Sharp
(krsharp@nrao.edu)

Basic Info/Site Safety

- Please turn off all wireless devices while on site
- No digital equipment or personal vehicles past parking lot
 - Non-digital (disposable) cameras are available for sale in the gift shop
 - You are welcome to walk the site as you please
- We are a remote, natural area, and home to many types of wildlife
 - You will commonly see deer, bear, snakes, etc.
 - Wildlife are most active at dusk and dawn
 - Mother bear(s) and cubs live downsite
 - Do not approach wildlife. (Do not panic). Just walk away

Enjoy!
