

# The NRAO Navigator Pilot Program - Application

## Instructions

Carefully read the Announcement of Opportunity and the application form before making any entries. You may want to print a blank form to use as a worksheet before filling in the online form. Complete the entire application, review your entries, and then save the form. Please email your completed form to Sue Ann Heatherly at sheather@nrao.edu. All information provided in this application is confidential and will be used strictly for the purpose of administering the program. It will not be distributed externally for commercial use. Note: Internet access and an email address are required for selection as a Navigator. After selection, the Navigator's name, city, state, zip code, and primary email address ONLY will be listed on the public website in the "Meet the Navigators" section. This listing is intended to advertise the Navigator's availability for public events in his/her local community.
